

**REMARKS**

The Examiner's continued attention to the present application is noted with appreciation.

Applicant appreciates the Examiner's statement that claims 16-18 are allowable.

The Examiner objected to the drawings, stating that limitations in claims 23, 24, and 25 were not shown in the drawings. Applicant has added Figs. 9 and 10 and amended the specification to overcome the Examiner's objections. No new matter is entered by these amendments. Support for these amendments is found at page 6, lines 3-10.

The Examiner rejected claims 1, 3, 13, 23, 24, and 25 under 35 U.S.C. § 112, second paragraph as being indefinite due to insufficient antecedent basis for respective limitations in each of the claims.

Applicant has amended claims 1, 3, 23, 24, and 25 to clarify that the opening is in a wall of the cabinet.

Applicant has amended the specification to clarify that Fig. 8 shows an air brake system. Support for this amendment is found at page 3, lines 15-17.

Applicant has amended claims 23, 24, and 25 to clarify that the file drawer slides to an open position at a front, at a side, and at a rear of the front seat.

Claims 1-15 and 21-25 are now believed to be in condition for allowance.

Authorization is given to charge payment of any additional fees required, or credit any overpayment, to Deposit Acct. 13-4213.

In view of the above remarks, it is respectfully submitted that all grounds of rejection and objection have been traversed. It is believed that the case is now in condition for allowance and same is respectfully requested.

If any issues remain, or if the Examiner believes that prosecution of this application might be expedited by discussion of the issues, the Examiner is cordially invited to telephone the undersigned attorney for Applicant at the telephone number listed below.

Respectfully submitted,
